Six Steps To Success

Your Natural Talents, what you do best. What you over do or have to do your way. Assume other already know.

1. ______________________ 2. ______________________
   Usually where you center and stabilize your core self. Where you see both points of view and learn new things.

3. ______________________ 4. ______________________
   Areas where you have a tendency to avoid. Under pressure this is where you lose it.

5. ______________________ 6. ______________________

List your color preferences next to the colored ones.
